

My GMRS License call sign is _____

Monday night check-ins!

Brief, weekly chat to test radios and antennas. Connect with other GMRS radio operators, share announcements, compare radio signal strength, and meet new operators. Ensure your equipment is always in working order and your battery is charged.

1st Monday @ 8pm – Repeater #1 (023)
2nd Monday @ 8pm – Repeater #2 (024)
3rd Monday @ 8pm – Repeater #4 (026)
4th Monday @ 8pm – Repeater #6 (028)
5th Monday of the month – no test

FM Radio:

Push the FM radio button

Using keypad, type in the frequency...

KIRO 97.300 or KOMO 97.700

Notes:

- Hold your radio straight up-and-down for best reception.
- If you are in range of the Repeater, you should here a short“ hiss” and possibly a “beep”.
- NOAA weather transmissions: channels 193-199
- Try the headphones; you might hear much better.
- Stay in Channel mode. If you accidentally get into Frequency mode, turn radio off. Press and hold “menu” button and turn radio back on.

When sitting in the charger:

Red LED	Green LED	Status
Flashing	Flashing	Charger empty OR Charge Complete
Steady	Off	Charging
Off	Steady	Charge Complete

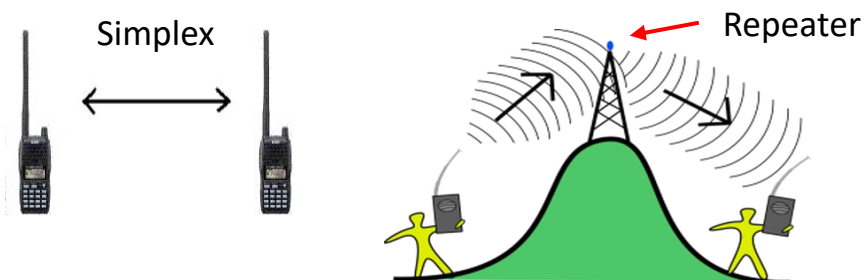

BTECH GMRS-V1 or V2
